BUK Losses Final Year Student: Babangida Ahmad

A final year (Spill Over 1) student, Babangida Ahmad from the Department of Library and Information Science is dead. He died on Friday, 28th January, 2022.

The deceased, who hails from Misau town in Bauchi state was said to have, in the early hours of Friday 28th January, 2022 collapsed in his hostel while preparing to go to mosque for the early Morning Prayer according to his roommates.

Already, the University Management had contacted his parents about the incident and would be taken to his home town for burial according to Islamic rites.

According to one of his colleagues, the late Babangida left the room at about 4:30 am where he suddenly slumped and was quickly rushed to the University Clinic for medical attention.

He was said to have been brought in dead (BID) to the University Clinic.

Prior to his death, the deceased has been visiting Aminu Kano Teaching Hospital (AKTH) to see doctors on certain undisclosed ailment.

According to hospital records, he had visited Aminu Kano Teaching Hospital about seven times within the last one year ,with his last visit on the 10th of January, 2022. His next appointment at the AKTH was on 7th February, 2022.

Meanwhile, the University Management had taken the body to his home town, Misau, Bauch State for burial.

The Vice Chancellor, Professor Sagir Adamu Abbas, has, on behalf of the University Management condoled with the family and friends of the deceased and prayed Almighty Allah to grant him *Jannatul Firdaus*.

The late Babangida Ahmad was described as a very kind hearted, jovial and very friendly who relate well with his colleagues.
